

29th January, 2015

Dear Parents, Carers and Friends,

Welcomes!

A warm MMI welcome to new friends in school this term, Ivana, Nabila, Salil and Owen are already busy learners! Ms. Jinal, Ms Maribel and Ms Shalini have loved the very warm welcome that they have received and were amazed, and delighted, to receive welcome messages and flowers during their first week in school. Thank you everyone for helping them to settle in so quickly and to realize what a very special school we have.

New Club

E- Science new ECA class will be held this term on Wednesday from 2:30 to 3:30 pm. A free trial class will be offer to interested children on Wednesday, 28th January 2015.

More attendance, congratulations!

The overall attendance for last term was 90% which was superb! Every day really does count so thank you so much for supporting your child and us as a school.

Lates

As Parents/ Carers it is your responsibility to ensure that your child attends school and arrives on time. Lateness is recorded daily and monitored frequently. It is important that pupils are on time for the start of the school day at 8:45am.

Lateness disrupts the school day, both for pupils and the teachers. Parents will be notified by letter if their child is late for school 3 times in any two weeks period.

Persistent lateness will lead to the involvement of the Vice-principal to help address any issues causing lateness.

Library Books

MMI would like to remind the parents to properly use books at your disposition in the school library. Indeed, this week after an inventory we find many books torn or/and in bad shape. We would like you to be extra vigilant when going to the library with your child and make sure that they are using the books in a good way.

Pupils' Safety

Our school doors open at 8.15am and are closed at 9:00 am to maintain pupil safety. If your child arrives after 9:00am and the doors are closed, please ring the bell outside or/and call the School front office, and wait for someone to come and open the gate for you.

You can then register yourself and your child at the front office.

School information Line

MMI Thailand as now a new mobile phone and is using Line to help communication between schools and parents. Our Line ID is: mmithailand and our new mobile phone number is: 09 4410 9496

Absence/ Home Time arrangement

Parents are reminded once again to contact the school before 8:45am if their child is going to be off for any reason. Pupils attending appointments (medical, dental, etc) must bring their appointment cards into school. A phone call to school informing us of your child illness replaces the need for a letter to be sent in to the class teacher. Thank you for your support.

Outdoor Play

Being outside at playtime and/or after school is an important part of your child's school day. Children will be outside in most weathers- the only exception being heavy rain- It is imperative, therefore, that children come to school appropriately dressed, hats and sun cream.

Fire drill

On Tuesday this week, MMI conducted its annual Fire drill. Mr. Marlon rang the fire alarm in the morning and all children from each class was line up outside in the playground on a record time. Good job everyone!

Water Play Corner:

Due to Hygiene issues MMI will not be able to set up a Sand pit in the playground, however a water play station has been added outside next to the small gate. 2 Children can play, work discover with this area after wearing the aprons provided at the station. Parents are reminded to supervise their children when using the playground toys and facilities after school. Thank you
